

## Ultra Sofbox Plus-Midwife

Dimensions: 23"L x 17"W x 12"H ~ 4692 cu in

The Ultra Sofbox Plus has sleek tapered exterior pockets and impact resistant runners on the UP covered bottom that are not only esthetically pleasing but practical in the field. This midwife model has the international midwife symbol on the top lid and is offered in a beautiful purple shade. Front and rear full length pockets will help organize your day.

On one side of the front pocket you will find a flat zipper pouch with two smaller pouches on the front, on the other side of the front pocket you will find a row of four pouches with elastic holders on the front for supplies. The back full length pocket has full length flat zipper pocket on one side then on the opposite side there is a row of elastic holders for tools. Open the main compartment and you will see moveable dividers that you can configure to suit your needs.

When customizing your Ultra Sofbox you will notice that you are able to remove the interior liner for easy cleaning. The top lid has a full length clear mesh reinforced pocket with different sizes of elastic tool holders. The large pockets on each end of this bag can hold sharps containers or anything of your choice.

Nylon handles wrap around the entire bag for proper weight distribution with a soft to the touch wrap that connects both handles for comfort. The deluxe ergonomic padded shoulder strap can be attached to different points of the case for added comfort and convenience.
