

Pack Case Triple 32499 AT

Dimensions: 19"L x 14.5"W x 8.5"H 2341.75 cu in

This favorite of both BLS and ALS jump crews the Pack Case Triple is constructed of rugged 1000D nylon with bright 3M reflective safety tape and UP covered bottom. Zip open the main compartment to find great ways to organize your supplies.

On top lip you will find a flat zippered UP pocket with strategically placed elastic tool holders. Look into the main compartment to find a removable 400D liner with padded dividers to help you organize different supplies.

If you need more space for bulky supplies you can use any of the three exterior pockets to store any supplies you may need. Carry your Pack Case Triple with either two nylon web handles or with the removable sling-style shoulder strap.
